A booking token of PKR 500,000 is required to reserve any property for sale. The token is fully refundable if the buyer cancels within 3 days of payment. After 3 days, the booking token becomes non-refundable.

Installment Payment Plan

Select high-value properties are eligible for an installment payment plan of 30% down payment followed by the remaining 70% paid over 12 months. As of this document's publication, PL-105 (DHA Phase 8 villa) is the only listing enrolled in this plan.

All rental agreements require a security deposit equal to two months' rent, paid before move-in. The deposit is refundable within 14 days of lease termination, less any deductions for damage beyond normal wear and tear.

Agreement Validity

All signed sale agreements with Meridian Estates remain valid for 90 days from the date of signing. Agreements not completed within this period must be renewed.

Dispute Resolution

Any disputes arising from a transaction with Meridian Estates will first be addressed through good-faith negotiation. Unresolved disputes are subject to arbitration under the laws of Sindh, with jurisdiction in the courts of Karachi.

Cancellations by Meridian Estates

In the rare case that Meridian Estates cancels a confirmed transaction due to a title or legal defect discovered after booking, the client's booking token will be refunded in full within 10 business days, regardless of the 3-day cancellation window.
